

GS-II: Issues relating to development and management of Social Sector/Services relating to Health, Education, Human Resources.

1. The benefit of a complete ban on marijuana outweigh the bounty of commercializing them. Discuss.

Why this Question:

- ✚ There is a growing movement in the West to legalise cannabis, with rumblings of the same rising viciously in India.

Demand of the Question:

- ✚ The question demands to discuss that the benefit of banning marijuana is higher than commercialising them. so we have to write the ill effects of marijuana and write the benefits arising through the banning of marijuana.

Key Directive:

Discuss:

- ✚ It is the most frequently asked term and it means you write anything what you want. You write whatever you know but most important thing is write as if you are talking to the examiner. It is mostly used in framing questions and you can include different opinion into that picture.

Structure of the Answer:

Introduction:

- ✚ Write what is marijuana and rise of the issue about legalising them in the west and the rising rumblings of the same in India recently.

Body:

- ✚ Write why there is recent rumblings to legalise marijuana and the reasons behind it.
- ✚ Write the advantages of marijuana as stated by the pro marijuana proposers.
- ✚ Write about the composition of marijuana and write how addictive it is.
- ✚ Write about its ill effects on human health and its addictive nature among youngsters.
- ✚ Write how commercial companies has proposed tobacco as a non-toxic one and trying to do the same with marijuana too.
- ✚ Write how commercialising them will bring in unwanted consequences in the society.

Conclusion:

- ✚ Conclude that India should not follow the same footsteps of the west blindly, without analysing it contextually.
