Prelims: Governance- Policies

Mains: GS-II- Important aspects of governance, transparency and accountability, e-Governance- Applications, Models, Successes, Limitations, and Potential; Citizens Charters, Transparency & Accountability and Institutional and other measures.

Why in News?

- ▶▶ The Odisha government has decided to evaluate performance and incentives of police personnel on the basis of public feedback in their localities in addition to the existing parameters.

Details:

- ▶▶ In a briefing session with top police officers Odisha CM explained the concept of the **government's 5T vision**.
- ▶▶ **5Ts-Transparency, Tech, Teamwork, Time lead to Transformation**. Under 5T (vision), **Mo Sarkar** (meaning My Government) is a component.
- ▶▶ Police stations across the state will be required to register on the Mo Sarkar portal. After filing a complaint at a police station, an SMS will be sent to the complainant. The Chief Minister and his officials will make direct calls to the public for feedback on their experience at a police station.
- ▶▶ Based on public feedback and efficiency in service delivery, performing police stations and personnel shall be identified and recognised with faster promotion and other incentives.
