
GS-III Science and Technology- Developments and their Applications and Effects in Everyday Life.

1. Discuss the role of Technology during the Pandemic Crisis.

Why this Question?

- Role of technology in day to day life.

Key Demands of Question:

- Explain the various roles played by the technology during the pandemics.

Directive word:

Discuss:

- This is another common directive which is an all-encompassing one – you have to debate on paper by going through the details of the issues concerned by examining each one of them. You have to give reasons for both for and against arguments. And once all the discussion is done, a suitable apt conclusion may be given at the end of the Answer.

Structure of Answer:

Introduction:

- Give brief intro about the current pandemics and its implications.

Body:

- Discuss the various impacts of pandemics over the society, economy, etc.
- Explain how the technology will help to reduce the crisis during the pandemics. For example, AI will help in contact tracing, etc.
- Illustrate with an example.

Conclusion:

- Conclude with the significance of the Technologies during the Pandemics.
